
Agent Company Portal Agreement

INTEGRATION DEMONSTRATION

DEMO TEMPLATE - NOT LEGAL ADVICE - NOT FOR AN ACTUAL TRANSACTION

Company	Demo Realty Partners LLC
Representative	Demo Agent
Portal	agents.coachjohnsonrealty.com
Effective date	August 22, 2026
Reference	DEMO-AGREEMENT-001

1. Demo purpose

This sample does not appoint a broker, create an agency relationship, or authorize real listings. It tests the approved-agent document workflow only.

2. Portal access

A production agreement may require accurate account information, secure credential handling, and compliance with Johnson Realty review procedures. This demo grants no actual authority.

3. Listing review

The demonstration reflects the intended product workflow: an approved agent may submit a listing, but Johnson Realty must review and approve it before publication.

4. Records and communications

For testing, the demo company acknowledges that portal actions, inquiries, document events, and administrative decisions may be recorded in an audit trail.

5. Replacement required

Before onboarding a real agent company, Johnson Realty must replace this sample with an agreement reviewed and approved for its business, licensing, and jurisdictional requirements.
